

WHAT DOES YOUR GIFT SUPPORT?

Children - Brings history to life for over 12,000 elementary school children each year that visit with their class on a field trip.

Families - Passing on traditions. Many parents tell us that they have fond memories of a visit here when they were children and are happy to be able to share the Pioneer Settlement with their own kids.

Seniors - We provide a top notch historical village museum where our seniors can stroll through time reminiscing of the days of old before everything became so automatic.

\$11 Feeds and cares for our farm animals for one day

\$25 Buys ten gallons of fuel for lawn care equipment

\$50 Covers the Average cost of electricity usage for one day

Running a top-notch historical village museum is not cheap...

The reality is that we struggle with a funding gap every summer. Ever since the recession in 2008 - 2009 when Volusia County Schools discontinued funding second grade field trips and two full-time staff members. The real truth is that initiatives to increase wages, provide health insurance for staff members and improve our facilities are but pipe dreams if we do not become fully funded. Now with the Covid-19 closures we face even greater challenges. Our main revenues come from field trips and festivals. With schools closed for the remainder of the school year and public gatherings limited for an uncertain amount of time, we have to rely on our friends and supporters like you to help us make it through.

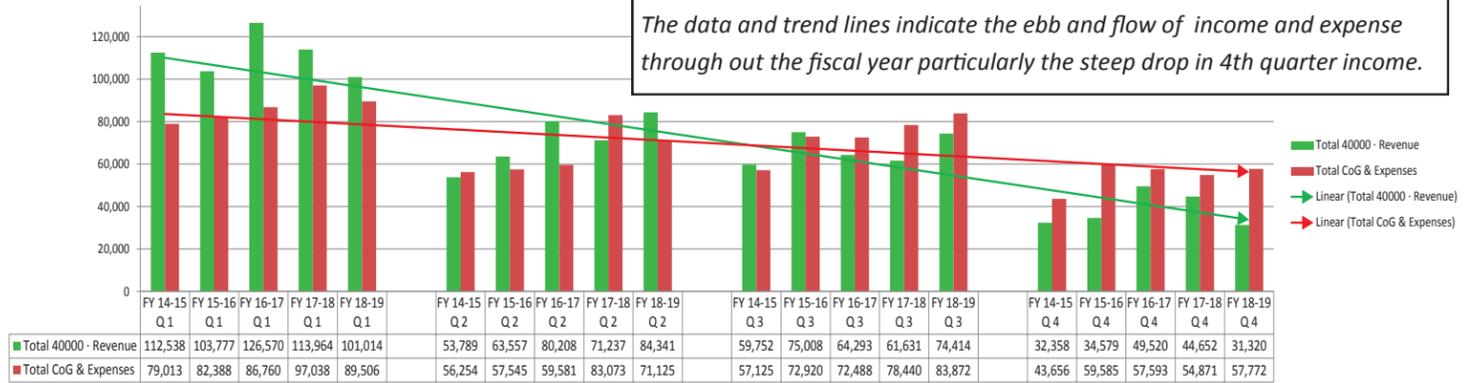

What does it take to keep Barberville Pioneer Settlement operating?

Based on our last fiscal year 2018 – 2019 excluding restoration, rehabilitation projects and hurricane clean-up our operational costs total \$708.27 per day / \$ 4,957.89 per week / \$21, 543.13 per month or \$258,517.55 per year.

5-year Comparison Chart, arranged by Fiscal Year Quarters

The data and trend lines indicate the ebb and flow of income and expense through out the fiscal year particularly the steep drop in 4th quarter income.

The great news is we exceeded the previous match amount of \$16,500.00 and raised \$22,500.00 so far with our Fund the Gap 2020 campaign. We are very grateful to all of you who donated!

But even with this remarkable success—when we do eventually open—we know we cannot make ends meet from walk-in visitors alone. That is why we are excited to announce that very special anonymous friends of the Settlement have added a new challenge to our campaign and are going to match yet another \$6,000! **Donations made now through the end of May up to \$6,000 will be doubled!** This means that your \$10 donation becomes \$20 and \$100 becomes \$200! Your contributions will help us survive through the summer and help us to get ready for our big festival in November. Thanks in advance for generous your SUPPORT!
