### Invitation to Submit to the Silent Auction

*We invite you to become a champion of change and support phase two of the restoration of The Underhill House!* The Joseph Underhill House circa 1879 is believed to be the oldest brick residence in Volusia County. Joseph Underhill was one of the first pioneers to settle in the area and that combined with the fact that they chose to build with brick during that time gives the house a very unique and significant historical value.

Your donation to our silent auction will help us fund phase two. Once finished, the house will be a wonderful addition to enhance our educational programs for young and old alike. It will also become a perfect venue for weddings and other celebrations which will provide additional revenue to the Settlement.

**We will be accepting donations at the Settlement beginning October 1st 2020**
