## The Pioneer Press

From the Director's Desk

### Your prescription for unplugging!

No matter who you talk to these days, they will agree that we all need to make time to unplug.

Unplug from the phone, from the computer and the television. Unplug from the politics, from work, and the drama.

Even just a few hours of downtime are recognized to relieve stress, relax muscles, refresh your mind and renew your spirit.

We have your perfect remedy. A visit to a place back in time, where you couldn't "plug-in" if you wanted to.

From the moment your feet touch the grounds of the Barberville Pioneer Settlement you'll begin to feel it. From that first deep breath of fresh air that surrounds you as you exit your vehicle and walk up to the Astor Bridge House to check in, to the welcome cries of the roosters' crow and the peacocks' caw, you will realize that you have arrived to a different place in time.

We prescribe frequent visits to gain the full benefits of all of our unique therapeutic treatments of great historic value. A visit during a special event with demonstrations and music embodies a totally diverse atmosphere than a quiet afternoon stroll on a self-guided tour. There are many aspects of each visit and each provides its own special antidote.

During special events you will experience the restorative melodies of the acoustic music floating through the air, the harmonious vintage sound of the hit and miss engine that powers the homemade ice cream churn and the sizzling hiss of the blacksmith's hot iron when it hits the water. Absorb the wafts of the sweetness from the kettle corn, the sight of young families wandering the grounds and the sounds of the children's laughter.

A visit on a regular day evokes immeasurable tranquility. Immerse yourself in the history. You will see things you missed before, allow yourself to get caught up in the nostalgia. Wonder what it was really like to live with 12 siblings in a tiny log cabin? Imagine the work involved in 1879 to build the two story brick home made from clay from a pit two miles away. How was life for people that lived and worked in a turpentine camp?

If you are lucky enough to join us on a day when we have a field trip going on you will discover the real heart of our mission. Witness the expressions on the faces of the children while we teach them that eggs and butter don't just come from a package in Walmart. Hear their chorus of "ewwes" that they utter when they learn that one of the chores of children of their age years ago was to empty chamber pots, and see the joy that they experience from feeding the animals, dipping candles, grinding corn and more.

Are you ready to unplug yet?

If so we hope you will make the time and take a drive to the one place where no matter what's going on you will always come away feeling renewed and refreshed. We make it easy and very affordable with membership packages that allow you to visit all year round.

For the best remedy visit and repeat often! Unplug with us and enjoy Discovering Yesterday Today!

*Debra*

## New things to look for at the Fall Country Jamboree!

In celebration of our 40th Anniversary we will be presenting the CD release of "Songs of the Settlement" featuring original songs by some of our favorite musicians. This twin pack compilation is a special production of folk music recounting many stories of the Settlement's buildings, people and even our animals. The participating musicians donated their time and talents to produce this unique recording. The idea was the brainstorm of Susan Jean Grandy who also took the lead in organizing the information, recruiting the songwriters and having the CD produced. The songwriters will be performing their songs on the Barn Stage at the Fall Country Jamboree on Saturday beginning at 4pm and on Sunday beginning at 3pm. The two set CD will be available for purchase at the event for \$20. All proceeds from the sale of the CD benefit the Settlement.

Pre-Order your copy of the CD today in the store on our website. [www.pioneersettlement.org](http://www.pioneersettlement.org)

Another special for visitors at the Jamboree will be the opportunity to commemorate their visit and our 40th anniversary with a professional photo souvenir by Elizabeth Carol Photography. Make sure to stop by the Quarters House to have your picture taken with family and friends. The photo booth will be stocked with an assortment of pioneer style props and other themed items to help enhance your photo shoot and make your keepsake one of a kind. A portion of the proceeds of the \$10 per 4 x 6 waterproof commemorative photo will be donated back to the Settlement.

You won't believe your eyes at the fabulous transformation that the Historic Joseph Underhill House has undergone since last year! Wagon rides to tour the first floor the will be available each day of the Jamboree from 11am—3pm. Did you know that this is the first house in Volusia County to be built from brick? Come see why it's important for us to save this unique piece of Florida's history.

YOUR FAMILY WILL WANT TO MAKE  
THIS A HOLIDAY TRADITION...

## A Christmas Remembered
